

Equity and Outreach Training Services Information

Who We Are

Our Equity and Outreach Training Services (EOTS) program is designed to support community members on their pathways towards Diversity, Equity, and Inclusion (DEI). We believe that creating a culture of collective wellbeing and liberation happens when we make space for deep listening and skills-building.

Our Services

EOTS can help you meet mandated training requirements while promoting healthy and safe work environments for every person to work and thrive in.

EOTS Workshops

We host a variety of public DEI and outreach workshops on our Eventbrite account! Topics include:

- LGBTQIA2S+ Outreach
- Latino Outreach
- Plain Language
- Popular Education
- Social Dynamics of Health
- Community Needs Assessments
- And more!

Community Events

We facilitate free monthly health equity community meetings for professionals across the Mid-Columbia Gorge Region

Private Consultation

We offer private consultation to businesses and workplaces around Oregon and Washington, such as:

- Community assessment and research
- Focus group facilitation
- Outreach support
- DEI assessments and planning tools
- Plain Language adaptations of community outreach materials and workplace document

DEI Curricula

Our team creates, reviews, and updates DEI curricula.

Radio Production

Our 'radio productions team' creates and records custom Public Service Announcements (PSAs) and Radio Dramas in Spanish to highlight your valuable services.
